EDITORIAL NOTE

Transactions welcomes submissions of articles and research notes relating to the history of the old counties of Lancashire and Cheshire, their predecessors, and their successors. Articles submitted to *Transactions* do not have to be read as part of the Society's lecture programme, nor does delivery of a lecture guarantee subsequent publication in *Transactions*. We are always happy to discuss with authors the possibility of using appropriate versions of their work in either forum. The scholarly standard of *Transactions* is widely respected, and expert referees read and comment on all articles prior to their being accepted for publication: we are, as ever, most grateful to those referees for their valuable work.
